

Universität Hamburg

# Block Seminar on Differential Geometry

(Dmitri V. Alekseevsky and Vicente Cortés)

winter term 2010/11

This block seminar for BA and MA students will take place from

**Tuesday, October 5**  
through  
**Friday, October 15**  
at  
**10:15 -11:45 and 14:15 -15:45**  
in room Geom 1313.

**Programme of the seminar:**

The students will prepare talks about various topics related to

**Transformation groups and Lorentzian geometry.**

**Requirements:** Basic knowledge of differential geometry.

**Remarks:** The seminar is intended for Bachelor as well as Master students.

The level of the individual topics proposed to the students will depend on the level of the participants (6 credit points).

**Contact:** [cortes@math.uni-hamburg.de](mailto:cortes@math.uni-hamburg.de)

(A preliminary meeting took place on September 6.)
