

Elsevier Inc. Licence Agreement

Agreement made this day of 20..... by and between:

....., hereinafter referred to as “the author”, at

and

ELSEVIER INC., hereinafter referred to as “the Publisher”, at 525 B Street, Suite 1800, San Diego, CA 92101, USA.

1. Subject to the terms and conditions set out hereunder, the author hereby grants to the Publisher the following exclusive worldwide right and licence to:

1.1 Publish the accepted article, entitled by

hereinafter referred to as “the article”, in the journal
In addition, the author grants to the Publisher the right to publish the article in all media, including print, electronic and microfilm and to use the article in conjunction with computer systems and/or programs including reproductions or publications in machine-readable form and/or incorporation in retrieval systems.

1.2 Reproduce and authorize reproduction of the article in whole or in part by others, including reprints and photocopies.

1.3 Permit document delivery services and abstracting and indexing services to include the article in whole or in part in their services.

1.4 Use or permit others to use (with proper credit and citation) parts of the article in other works.

1.5 Translate, or have translated, the article into any language and to publish the article as translated.

2. The Publisher recognizes the retention of the following rights by the author:

2.1 To make copies (print or electronic) of the article for their own personal use, including for their own classroom teaching use;

2.2 To make copies and distribute such copies (including through e-mail) of the article to research colleagues, for the personal use by such colleagues (but not commercially or systematically, e.g., via an e-mail list or public file server);

2.3 To voluntarily post a pre-print version of the article on Internet web sites such as electronic pre-print servers, and to retain indefinitely such versions on such servers or sites;

Manuscript Number:

- 2.4 To post a revised personal version of the final manuscript (to reflect changes made in the peer review process) on the personal or institutional web site or server, with a link to the final version on Science Direct
- 2.5 To present the article at a meeting or conference and to distribute copies of the article to the delegates attending such meeting;
- 2.6 To retain patent and trademark rights and rights to any process or procedure described in the article;
- 2.7 To use the article or any part thereof in a printed compilation of the author's own works, such as collected writings or lecture notes (subsequent to publication of the article in the journal); and
- 2.8 To prepare other derivative works, to extend the article into book length form, or to otherwise re-use portions or excerpts in other works, with full acknowledgement of its original publication in the journal.
- 3. The rights and licence granted herein to the Publisher shall be for the full term of copyright.
- 4. The Publisher shall ensure that the article will be published and distributed with the appropriate copyright notice in the name of the author.
- 5. The author agrees that credit to the Journal, the article and the Publisher will be given where appropriate.
- 6. The author represents that the article is the author's original work and has not been published before. The author represents that the article contains no libellous or other unlawful statements, and does not infringe on the rights of others. If excerpts from copyrighted works are included, the author will obtain written permission from the copyright owners and will credit the sources in the article. The author represents that the relevant Instructions to Authors, the Ethics in Publishing policy and Conflicts of Interest disclosure have been reviewed and complied with.
- 7. If the article was prepared jointly with other author(s), the author has informed the co-author(s) of the terms of this licence transfer and is signing on their behalf as their agent and represents that the author is authorized to do so; or in the case of an employed author(s) ("work for hire") the author or an authorized representative or the author must sign.
- 8. **FUNDING** The author(s) represent the following with regard to funding of the underlying research reported in the article (please check one):

- No funding was received for the research reported in the article
- The research reported in the article was funded by the US National Institutes of Health
