

Personal Data

Birth date: March 5, 1964
Citizenship: Germany
Current appointment: Professor, University of Hamburg, Germany
Address: FB Mathematik
Universität Hamburg
Bundesstr. 55
20146 Hamburg, Germany
Email: siebert@math.uni-hamburg.de

Education

1984–89 Study of Mathematics at the Universities of Erlangen (1984–86), Bonn (1986–87) and Göttingen (1987–89).
11/1989 Diploma in Mathematics “Mit Auszeichnung” (with distinction); supervisor: H. Grauert.
1989–92 Doctoral student (SFB 177) and Scientific Assistant at the University of Göttingen.
2/1992 Dr. rer. nat. “summa cum laude”; supervisor: H. Grauert.

Appointments held

1992–95 Scientific Assistant, University of Göttingen.
1993/94 DFG-Research Fellow, Courant Institute, NYU.
1995–00 Scientific Assistant, University of Bochum.
1997/98 Visiting Assistant Professor and Visiting Scholar, MIT.
2000–02 DFG-Heisenberg Fellow, University of Paris VI/VII.
2002–08 Associate Professor, University of Freiburg.
2008– Professor, University of Hamburg.

Grants and Honors

Research Fellowship of the DFG, 1993–94
Heisenberg Fellowship, 2000–2002
DFG Priority Program “Global Differential Geometry”, 2003–2005
DFG Priority Program “Global Methods in Complex Geometry”, 2004–2006
DFG Priority Program “Global Differential Geometry”, 2005–2007
Research Stay at UC San Diego 2006/07 (partial funding by the DFG)
SFB 676 “Particles, Strings, and the Early Universe”, 2010–2014 (Subproject Leader)
RTG 1670 “Mathematics Inspired by String Theory and QFT”, 2011–2020 (Spokesperson 2011–2015)
ICM 2014, Invited Speaker (Section: Algebraic and Complex Geometry, jointly with Mark Gross)
StringMath 2015, Plenary Speaker
Clay Research Award 2016
