

Kolloquium über Reine Mathematik

Einladung zu einem Vortrag

Dienstag, 10. Dezember 2024

17 Uhr, Geom H4

Prof. Dr. Johan Commelin (Utrecht University and LEAN)

Title:

math

human U computer

Abstract:

Humanity has developed many different ways to communicate mathematics, ranging from the very intuitive to the rigorous and precise. In this talk I will explore how we communicate mathematics. Using various examples, I will explain how formal proof languages and computers can enhance the mathematical ecosystem, thereby allowing us to expand the ways in which we practice mathematics.

**Vor dem Vortrag (ab 16.30 Uhr) stehen im Foyer vor Hörsaal H4
Kaffee und Tee bereit.**
