

Licence to publish in the *Proceedings of the London Mathematical Society*

Please read the terms of this licence and then complete, sign and return this form as soon as possible to: *The Publishing Editor (PLMS), London Mathematical Society, De Morgan House, 57–58 Russell Square, London WC1B 4HS, UK.*

PLMS number (as in the accompanying e-mail): _____

Title of the Contribution: _____

***Name(s) of the Author(s)
of the Contribution:** _____

Address(es): _____

***Name of the copyright
owner, if not the Author(s):** _____

**the copyright owner being hereafter known as 'the Licensor'.
In the case of a Contribution written in the course of employment by the United States
Government in which there is no copyright, please tick here:*

1. In consideration of the publication in the *Proceedings of the London Mathematical Society* of the Contribution, the Licensor grants to the London Mathematical Society for the full term of copyright in the Contribution the exclusive licence, subject to clause 2 below,
 - (a) to publish, reproduce, display, store and distribute the Contribution or extracts therefrom in all formats and media (including without limitation print, digital and electronic media) and in all languages throughout the world and to create an abstract and/or summary of the Contribution;
 - (b) itself to license others to publish, display, reproduce, store and distribute the Contribution or extracts therefrom in all forms and media and in any language and to create an abstract and/or summary of the Contribution, such right to include the licensing of reprographic rights organisations ('RROs'), such as the Copyright Licensing Agency, UK, the Copyright Clearance Centre, USA, and the Copyright Agency Limited, Australia, to authorise the reproduction of the Contribution under the general terms and conditions agreed with the relevant RRO. (Licensees, other than RROs, wishing to use the Contribution as a whole will also be required to obtain the prior approval of the Licensor.)
2. Copyright in the Contribution is retained by the Licensor who reserves the following non-exclusive, non-transferable rights in the Contribution, subject to acknowledgement of its publication in the Journal:
 - (a) the right to (continue to) post an electronic version of the Contribution, up to and including the version initially accepted for publication, on any web page, server or electronic archive, provided that also a journal reference is given to the accepted version ('to appear', or with published page numbers) and that a statement is made that the two versions are different. Once the Contribution has been accepted for publication, no proofs or other post-acceptance versions of the Contribution may be displayed;

- (b) the right to make printed or secure electronic copies of the Contribution or an adapted version or extracts therefrom for the Author(s)/Licensor's own purposes, including the right to make multiple hard copies or to store in secure electronic reserve for course use by their own students, provided no sale is involved;
 - (a) the right to reproduce the Contribution or an adapted version or extracts therefrom in any work of which the Author(s)/Licensor are the editor or author. Permission will be given to the publisher of such a work subject to an application being made to the *Publisher, London Mathematical Society, De Morgan House, 57–58 Russell Square, London WC1B 4HS, UK.*
3. The Author(s) hereby assert their moral rights in accordance with the UK Copyright Designs and Patents Act 1988.
 4. The Author(s) hereby warrant and represent that they are the sole Author(s) of the Contribution, that nothing in the Contribution is defamatory, violates any right of privacy, infringes any intellectual property rights, or is otherwise unlawful.
 5. The Author(s) further warrant that all necessary permissions have been obtained from the copyright owners for any material included in the Contribution in which they do not hold copyright. (The relevant permissions correspondence must be attached to this form.)
 6. The Licensor hereby authorises the London Mathematical Society at its sole expense to take such steps in the Licensor/Author(s)' names as it considers necessary in the event that copyright in the Contribution is infringed by a third party.

Where the Licensor is the Author(s): I, the undersigned, hereby warrant that I am a co-owner of the material and have full power to make this agreement on behalf of all Authors, or otherwise that I am the sole owner of the material and have full power to make this agreement.

Signed for and on behalf of the Licensor:
