

## List of restaurants around the Geomatikum

There are many restaurants around the Geomatikum. Some that we want to draw your attention particularly to are the following:

- **“Altes Mädchen”** (Old Girl)  
(Restaurant of a local beer brewery with lots of different beer brands, more basic food and a bit harder to find (since in a backyard) [Lagerstraße 28b](#), <http://altes-maedchen.com>)
- **“Arkadasch”**  
(Anatolian/Armenian restaurant, [Grindelhof 17](#), <http://www.arkadasch.de>)
- **“Bistrot Vienna”**  
(smaller (might be full) and slightly fancier Austrian/German restaurant, [Fettstr. 2](#), <http://www.vienna-hamburg.de>)
- **“Balutschistan”**  
(Indian/Pakistani restaurant, [Grindelallee 91](#) <http://balutschistan-grindel.de>)
- **“El Toro”**  
(Spanish restaurant, [Kleiner Schäferkamp 21](#), <http://www.el-toro.de/>)
- **“Terzetto”**  
(Italian restaurant, [Bundesttr. 31](#), <http://www.terzetto.de>)
- Around lunchtime, there are many small food places open along the “Grindelallee” (parallel street to the “Bundesstraße”, one block further away from the Mercure hotel).
- One typical district for going out in the evening is the “Schanzenviertel”, with the central street “Schulterblatt”. There and on the way there you will also find many additional bars and restaurants. The “Schanzenviertel” is located behind the “Schanzenpark”, the little park that you can see from the exit of the Mercure hotel.
