

# COLLOQUIUM LOGICUM 2016

10–12 September 2016, Hamburg, Germany

## Keynote speakers

- Dana Bartošová (São Paulo, Brazil)  
Elisabeth Bouscaren (Paris, France)  
Ekaterina Fokina (Vienna, Austria)  
Laura Fontanella (Jerusalem, Israel)  
Philipp Hieronymi (Urbana-Champaign, IL, USA)  
Rosalie Iemhoff (Utrecht, The Netherlands)  
Gyesik Lee (Anseong, South Korea)  
Norbert Preining (Nomi, Japan)  
Szymon Toruńczyk (Warsaw, Poland)  
Charlotte Werndl (Salzburg, Austria / London, UK)

The **Colloquium Logicum** is the bi-annual meeting of the “Deutsche Vereinigung für Mathematische Logik und für Grundlagenforschung in den exakten Wissenschaften” (DVMLG). The programme committee invites the submission of abstracts in all fields of research covered by the DVMLG: mathematical logic and the foundations of the exact sciences (including logic in philosophy, computer science and artificial intelligence).

**Submission deadline: 20 June 2016**

In addition to keynote and contributed talks, there will be a **PhD Colloquium** with presentations by excellent recent PhD graduates, invited on the basis of nominations by DVMLG members.

## Programme Committee

- Matthias Aschenbrenner (Los Angeles, USA), Arnold Beckmann (Swansea, UK), Manuel Bodirsky (Dresden, Germany), Martin Hils (Paris, France), Benedikt Löwe (Amsterdam, The Netherlands / Hamburg, Germany), Thomas Müller (Konstanz, Germany), Anca Muscholl (Bordeaux, France), Michael Rathjen (Leeds, UK), Olivier Roy (Bayreuth, Germany), Nicole Schweikardt (Berlin, Germany), Mariya Soskova (Sofia, Bulgaria), Martin Ziegler (Daejeon, South Korea).

## Organising committee

- Alexander C. Block, Yurii Khomskii, Benedikt Löwe
